

12 OCTOBER (Acting DCI)

1. Met with Senator Saltonstall at 1145 upon the Senator's request, giving him a world wrap-up. Messrs. Sheldon and Warner accompanied. Per M/R, dated 15 October, re briefing of Senator Stennis on that date, "our conversation centered almost entirely on the Soviet buildup in Cuba and I brought him up to date in specific detail as I did with Senator Saltonstall."
2. Went to see Mr. McGeorge Bundy at 1245 since (per 12 October Memo attached under 11 October) I was not quite clear as to exactly what kind of flights the President had authorized.
3. First and second telephone conversations with General McKee concerning U-2 jurisdiction. Also telecons this date with Secretary Gilpatric, McGeorge Bundy, General Taylor, and Alexis Johnson. (Attached)

MEMORANDUM FOR MR. McCONE

1. Attached are the basic papers with reference to the weekend discussions on Cuban overflights. I invite your particular attention, if you have time, to the telephone conversations which are roughly transcribed. We are cleaning them up, but this will give you a flavor of just what happened.

2. You have already read the three papers at the back but I give them to you anyway for further background.

Marshall S. Carter  
Lieutenant General, USA
